

Hello guy! My name is Lyhor I am 18 years old. I just finished HTML class and I start to learn how to create website, so by that reason I decide to create this webpage that talk about myself. I fail at high school final exam but I still come PNC for learning about IT. At now I pass the final exam at high school after I try to have an exam again. I have 5 members in my family include me, 2 sisters, mother and father. I was born at Phnom Penh, but I moved to Kandal province when I learnt at grade 3. I will finish PNC life soon (August I will go to internship).
